

CURRICULUM VITAE

Dr.Giorgio Bergami born at Casaleggio Vaprio, Italy

- 1967-1973 Student at Medical School “Università degli Studi di Milano”.
- 1971-1973 Attended, as a pupil the surgical pathology department under the direction of Prof. Riccardo Rossi. Preparation of the thesis concerning “Megaesofago funzionale”.
- 1973 Graduated with honours from the l’Università degli Studi di Milano. After graduation I was an intern at the l’Istituto di Patologia Chirurgica until the end of February 1974.
- 6/3/1974 Appointed Attending Physician in the department of special surgical pathology at the Ospedale Provinciale Luigi Sacco in Milan, directed by Prof. Vittorio Rovati. 19/5/1975 I was recruited permanently.
- 7/1/1976-
13/4/1977 Military service as an officer.
- 12/7/1979 Specialized in General Surgery at the Univeristà degli Studi in Milan discussing the thesis “Revisione anatomo-clinica dei pazienti operati per carcinoma gastrico nel triennio 1977-78-79”. “Clinical Anatomical case studies of patients operated for gastric carcinoma in the three year period 1977-78-79”.
- 1980 During the summer I worked for two months as medical officer for AGIP in People’s Republic of Congo.
- 5/4/1981 Passed the national proficiency exam for Consultant.
- 12/7/1983 Specialized in anatomy and pathological histology with laboratory techniques at the Università degli Studi in Milan, discussing the thesis: “Gastric carcinoma: anatomical-isoclinic classification and case studies from the Ospedale Luigi Sacco in Milan from 1973-1983”.
- 8/1/1990 Granted a placement of six months at Istituto Nazionale dei Tumori for scientific update.

18/6/1993	Appointed Consultant for general surgery at the USSL n.53 taking up service at Surgery, S.Marta at Rivolta D'Adda. Ospedale Luigi Sacco accepted my resignation 23/7/1993.
1993.1994	I was admitted to attend the Università degli Studi in Turin for a specialization course in coloproctology and passing the final exams.
1994	From November, in agreement with the hospital administration, for an undefined period, I took part in the surgical procedures at Divisione di Oncologia Chirurgica A at the Istituto Nazionale dei Tumori in Milan.
1995	In January, due to the closure of the Surgical department at Rivolta D'Adda, I was transferred to Chirurgia 1 at Ospedale Maggiore in Crema.
6/2/1995	I attended with successful results, a specialization course in coloproctology at the Colorectal Epordiensis Center in Ivrea (TO).
2004	Due to the closure of Chirurgia I at Ospedale di Crema, transferred to Chirurgia II.
2004	From 19 th -23 rd April and again 24 th -28 th May I attended a course of theory and practice in colo-rectal surgery at the Unità Operativa di Chirurgia Colo-rettale at the Istituto Nazionale dei Tumori in Milan where I continued to attend the operating theatre, the ward and outpatients for a week every month from June 2004 until May 2005.
1/1/2006	Retired
2006 to date	Freelance surgeon at the Casa di Cura "Piacenza"
2008	8th January-13th March 2008 Surgeon at S.J.deD. Hospital in Afagnan (Togo). 1 st May-28 th June 2008 Surgeon at S.Jde D. Hospital in Tanguuieta (Benin). 30 th October 2008-31 st January 2009 Surgeon at S.J.deD. Hospital in Afagnan (Togo).
2011	11 th May-12 th July 2011 surgeon at Comboni Hospital in Sogakofe (Ghana) 3th-22th September 2011 surgeon at Konduz (Afghanistan) for MSF Brussels 3th-January- 21th March 2012 flying surgeon at Batangafo, Kabo and Ndele (RCA) for MSF Spain
2012	21th June-5th October 2012 surgeon at Konduz (Afghanistan) for MSF Brussels 18 th December 2012-7 February 2013 surgeon at Paoua (RCA) for MSF France
2013	28 th June-2 September at Masisi (RDCongo) for MSF Brussels

2014	13 th December 2013-15 th March 2014 surgeon at Tabarre Hospital of Porte Au Prince (Haiti) for MSF Brussels
2014	2 th May-6 th to July 2014 surgeon at Trauma Centre of Bangui and General Hospital of Paoua (RCA) for MSF Paris
2015	February 10 th to March 19 th surgeon at Ministerial Hospital of Ar Ramtha (Jordan) for MSF Amsterdam June 1 st to 11 July surgeon at Ministerial Hospital of Abeché (Chad) for MSF Amsterdam August 20 th to September 23 th surgeon at Ministerial Hospital of Khameer (Yemen) for MSF Paris
2016	January 14 th to April 14 th at Ministerial Hospital of Abéché (Chad) for MSF Amsterdam July 9 th to October 9 th at Rural Hospital of Abs (Yemen) for MSF Barcellona
2016-17	December 5 th to March 5 th at Ministerial Hospital of Lulingu (Kivu-Congo) for MSF Barcellona
2017	June 23 th to July 8 th at Trauma Centre of Haman all Halil (Iraq) for MSF Brussels
2017-18	December 17 th to February 20 th at Abs Hospital (Yemen) for MSF Barcellona
2018	May 30 th to June 27 th in Gaza Strip for MSF Paris September 27 th to November 3 th Kibondo (Tanzania) for MSF Geneva.
2019	January 14 th to February 19 th Quayyrah (Iraq) for MSF Paris
2020	January 10 th to February 20 th Rutshuru (RDC) for MSF Paris

ACADEMIC ACTIVITIES

I have given courses of practical exercises for students of the V° and VI° courses of Facoltà di Medicina e Chirurgia dell'Università di Milano. Also acting as supervisor for the presentation of the thesis at the students graduation.

1977-78	Tutor of anatomy and physiology for general nursing.
2/3/1988	I was invited to lecture at the Fatebenefratelli Hospital on the second part of the training for Enterostomisti, organised by A.I.S.T.O.M.
1978.79	Lecturer of surgical pathology for general nursing and anatomy for registered nursing.
1979.80	Lecturer of surgical pathology for registered nursing also taking part on the examination commission for the II° level to III° level.
1980-81	Lecturer of Urology and Neurosurgery for the registered nursing course and nominated commissioner for the state exams of year III°.

SCIENTIFIC ACTIVITIES

Experimental surgery in the surgical pathology department at the Università degli Studi di Milano.

1980	Participated in the National Congress of Oncology in Rome.
11/5/1981- 13/5/1981	Participated in the International meetings of Surgery in Milan and the Emergency Surgery course with successful results.
25/5/1981- 29/5/1981	Attended the III° course of Oncology Surgery at the Malpighi Hospital in Bologna
6/6/1985- 8/6/1985	Participated in the International Symposium on Hormone Therapy: “the ant estrogens in clinical oncology” Bologna.
19/11/1989- 22/11/1989	Participated in the VII national meeting of experimental and clinical oncology in Genoa.
8/1/1990- 8/7/1990	Attended the Oncology A department at the Istituto Nazionale per lo studio e la cura dei Tumori in Milan with successful results.
2/4/1993- 4/4/1993	Admitted and actively took part in theoretical and practical sessions of the program of the course: “Reconstructive Surgery of the Breast” at the Scuola Italiana di Senologia.
2/4/1993- 3/4/1993	Participated in the International Convention at Vercelli “Updates in coloproctology”.
15/5/1993	Participated in XV annual convention in Milan “Groupe de Recherche et d’Etude de la Parroi Abdominale”.
24/3/1994- 26/3/1994	Participated in the Third Biennial Course International Meeting of Coloproctology in Ivrea.
31/10/1994- 31/1/1995	Participated in operations, one day a week, at the Istituto Nazionale per lo studio e cura dei Tumori in Milan.
16/12/1994	Participated in the congress at Turin: “Gastric carcinoma surgery”.
6/2/1995- 10/2/1995	Followed a course on colo-proctology at Ivrea Hospital (TO). I followed the theory, the operating theatre, outpatients, endoscopes, radiology and recto anal physiology.
6/4/1995	Participated in the conference at Padova ”Laparoscopic assisted ileal pouch anal anastomosis: when and how I do it”.
7/7/1995	Participated in the 70° seminary at the Istituto Nazionale dei Tumori in Milan. “Breast Cancer: aspects of medical therapy”.

30/9/1995	Participated in the meeting at Crema Hospital concerning: "Gastroesophageal reflux: physiopathology and clinical aspects".
24/11/1995	Participated in the 74° seminary at the Istituto Nazionale dei Tumori in Milan: "Cancer of the gastro enteric tract: aspects of medical therapy".
19/4/1996 & 20/4/1996	Participated in the work in Ivrea for the 4 th Biennial Course International Meeting of Coloproctology.
27/9/1996 & 30/9/1996	Participated in the seminary in Crema: "Introduction of methods for continuous improvement of quality, a quality system for the U.S.S.L. 24 Crema"
11/10/1996	Participated part at the convention in Brescia: "Medical days at St.Orsola Hospital".
11/9/1996- 14/9/1996	Participated in Turin at the VI national congress of the Italian Society of Coloproctology.
26/9/1996- 28/9/1996	Participated in the congress at Parma, "IX Day Surgery E.Malan" (dedicated to complications in coloproctological surgery.
9/11/1996	Participated in the interactive convention at S.Paolo Hospital in Milan, "Diagnostic-therapeutic procedures in anal-rectal benign pathologies.
20/10/1997	Participated in the VI meeting of the group I.T.M.O. "Updates in medical oncology" held at Istituto Nazionale per lo Studio e la Cura dei Tumori in Milan.
19/12/1997	Participated in the VII meeting of the group I.T.M.O. "Melanomas: research, diagnosis and treatment" held at the Istituto Nazionale per lo Studio e la Cura dei Tumori in Milan.
17/11/1997 15/12/1997 & 12/1/1998	Participated in the course "The Use of Data Base and Critical Valuation of Biomedical Literature, held in Crema.
10/2/1998	Participated in the meeting held at Casa di Cura Nuova Poliambulanza in Brescia, "Stipsi and chronic abdominal pain".
28/2/1998	Participated in the scientific medical meeting, held in Soresina: "Inguinal hernia by Bassini and Trabucco. Evolution of the same technique".
13/3/1998	Participated in the international convention: "Unsuccessful surgery for gastro-esophageo reflux: prevention, diagnosis and treatment".
26/3/1998- 28/3/1998	Participated in the work for the 5 th biannual course of International Meeting of Coloproctology, held in Ivrea(TO).
April & May 1998	Course in Biometry at Ospedale Maggiore in Crema.

3/7/1998 & 9/7/1998	Participated in XXVI World Congress of the International College of Surgeons at the Università degli Studi in Milan.
12/5/1999	Participated in the meeting of updates: "Privacy in Health Care", held at Ospedale Maggiore in Crema.
14/6/1999	Participated in the VII technical meeting of the group I.T.M.O. "Ongoing studies and studies to activate" at the Istituto Nazionale per lo Studio e la Cura dei Tumori in Milan.
27/1/2000 & 28/1/2000	Participated in II National Congress GISCRIS: "Radio-controlled surgery in the 3 rd millennium, from the staging to the therapeutic innovations".
2/3/2000	Participated in the meeting for updates on "The treatment of haemorrhoids: comparisons on the traditional haemorrhoidectomy and anopessi with circular stapler.
16/6/2000	Participated in the IX National reunion of the group I.T.M.O. held at the Istituto Nazionale dei Tumori in Milan. "Medical therapy for cancer of the stomach and of the colon-rectum".
27/11/2000	Participated in the 9th seminary of the Group I.T.M.O. held in Milan at the Istituto Nazionale dei Tumori. "Breast cancer and hormone treatment".
26/1/2002	Participated in the 3 rd meeting for updates: "Current guidelines for the treatment of rectal tumours".
11/5/2002	Participated in a course for updates "Rehabilitation of the shoulder after surgery" organised by The Azienda Ospedaliera Maggiore of Crema.
24/5/2002	Participated in the 3 rd consensus conference "Nuclear Medicine Indications in Oncology: Diagnostic Protocols" held in Milan at the Institute National dei Tumour.
9/11/2002 & 30/11/2002	Participated in the convention organized by the Azienda Ospedaliera of Crema "Interdisciplinary and polispecialistic views on cervical pathology".
12/12/2002	Participated in the convention of the Lombardy Society of Surgeons held in Milan, "Laparoscopy: state of the art".
26/9/2003	Participated in the course "Updates on diagnosis and therapy in gastro entero pancreatic cancer (GEP)" held in Milan at the Istituto per lo Studio e la Cura dei Tumori.
7/7/2003	Participated in the training event organized by Azienda Ospedaliera Ospedale Maggiore in Crema: "Guidelines, diagnostic and therapeutic routes in oncology. Provincial Oncology Department protocol".
23/10/2003 & 25/10/2003	Participated at the International Congress "Day surgery and one day surgery: painless surgery". Held at the Policlinico in Milan.

15/1/2004- 20/1/2004	Participated in the training project, "Appropriateness of hospital admissions in the Lombardy region. Clinical assistance audit" organized by Azienda Ospedaliera of Crema.
25/5/2004	Participated in the "IV meeting for updates in colonproctology" organized by Azienda Ospedaliera of Crema.
19/4/2004- 23/4/2004& 24/5/2004- 28/5/2004	Participated in a course of practise and theory in colo rectal surgery organized by Associazione per la Ricerca Europea in Chirurgia Oncologica (A.R.E.C.O.)
27/11/2004- 30/11/2004	Participated in the VI International Symposium on Conservative Surgery for Cancer of the rectum.
9/2/2006 23/2/2006 9/3/2006 13/3/2006 16/3/2006	Participated in a training course for "Infective and Tropical diseases for health professionals in developing countries" held at Ospedale Luigi Sacco in Milan.
2012 May	Ecofast course for MSF. Bologna
2014 September	International MSF Surgical Work Shop. Dusseldorf
2015 November	Trauma Ultrasound Training (TUT) and Ultrasound basic in obstetrics for surgeons in the field practice. MSF with Ospedale S:Camillo Roma
2016 June	Workshop on burns management. Interburns and MSF Collevicchio (RI)
